this brilliant contribution to our modern understanding of authentic identity and presence brings us to a new awareness of ourselves and our innate wholeness and completeness enza s personal awakening story in the first few pages is worth the price of admission enlightened wisdom is like an endangered natural resource today which we overlook at our peril let s join

in exploring and developing our own innate transformational resources for a change lama surya das author of awakening the buddha within this is a great contribution to our appreciation of the genuine voice of pure presence it brings us to a deeper awareness of what it means to study the self and our intrinsic true nature as that which is already perfect whole and complete it is certainly worthy of your time and attention zen master d genpo merzel author of big mind big heart based on enza s own experience always already free is a guide to discovering the deepest truth about who we are in this book the author presents her own personal direct encounter with the awakened state thoroughly addresses the ongoing debate between the necessity of spiritual practice and the ever present possibility of sudden awakening while at the same time offering detailed instructions for the practice instant presence allowing natural meditation to happen lays out what it means to consciously live and embody the truth of one s being the phenomenon of finding and losing oneself and the power and seduction of our thoughts and emotions that keep us held in narrow self definitions and create endless suffering guides the reader from the seeking process through the integration of spiritual enlightenment into everyday life and reveals that enlightenment is not a faraway dream intellectual knowledge or even an experience but the direct realization of our true nature always available here and now while it s true that we are always the self says enza vita if this hasn t been truly and directly realized this knowledge won t do us any good just knowing that there is no gate to pass through doesn t mean that we are at the end of the search not if we are still standing outside that gateless gate realization is not about you the wave realizing it is ocean the ocean realizes itself in you and reveals itself to have never been just a wave

in 2010 attitudes aren t free thinking deeply about diversity in the us armed forces was published in 2017 it was placed on the air force chief of staff s reading list now more than a decade later with tens of thousands of copies in circulation across government industry and academia it has become celebrated as a model for engaging in critical discussions on social policy topics that span the spectrum of perspectives on religious expression race gender and sexuality with contributions from the brightest voices within the us since publication the long standing debates have continued on the proper role of religious expression within military units we have seen increasing levels of racial and gender diversity in the senior leadership ranks don t ask don t tell was repealed by congress transgender military members have since been allowed to serve openly today we continue to engage the traditional ongoing dialogues but with a new focus on the metoo and blacklivesmatter movements within society that have ultimately resulted in the transition of power between the 45th and 46th presidents of the united states tomorrow s leaders must not only understand the changing landscape of societal

attitudes of the citizens in which they serve the mandates of our elected leaders that will serve as the commander in chief of the us armed services but also to best prepare to lead the men and women of the armed services in the most effective manner possible volume i of attitudes aren't free thinking deeply about diversity in the armed forces 2010 offered a framework for improving social policy in the areas of religious expression sexuality race and gender by showcasing the complexity through the use of opposing perspectives volume ii reflects on the progress made over the decade since but instead of laying the groundwork of a plurality of perspective as in volume i volume ii relies on the realities of the national institutional and personal levels using service members lived experiences to develop a more robust understanding of life in the military for individuals from increasingly more diverse backgrounds ultimately though reflective dialogue volume ii seeks to explore and contrast the current social policies of the us armed services with the rhetoric that military institutions continue to espouse around the same topical areas addressed in the first volume this is a call to action

free mind it's a profound accessible and transformative guide to how the mind really works and most importantly how you can take care of it every day combining modern neuroscience psychoanalysis psychology spirituality and daily self awareness practices this book clearly reveals what we feel why we feel it and how we can change emotional mental and behavioral patterns that have accompanied us for years nothing here is too theoretical nothing is too superficial it's knowledge applied to real life throughout fifteen engaging chapters you will discover how the brain creates emotions thoughts and perceptions why trauma shapes our story and how we can reframe it what are the early signs of mental illness what mental hygiene is and how to practice it daily how limiting beliefs are formed and can be rewritten how to build secure bonds and healthy relationships how habits transform the brain practical tools for self regulation self awareness and decision making how to create a life plan aligned with purpose well being and emotional maturity in addition the book offers a complete 12 week program practical exercises checklists self care routines emotional granularity techniques coping strategies for crisis moments and guidance to continuously strengthen your mental health free mind was written for anyone who wants to understand themselves in depth improve their emotional quality strengthen relationships overcome limiting internal narratives and build a lighter more conscious and balanced life if you want real transformation not magic formulas this book is for you open it read it calmly apply it courageously and allow your mind to become your best ally a journey of healing clarity and growth begins here

freedom today perceived simply as a human right was a continually contested idea in the early modern period in freedom and the construction of europe an international group of scholars explore the richness diversity and complexity of thinking about freedom in the shaping of modernity volume 2 considers free persons and free states examining differing views about freedom of thought and action and their relations to conceptions of citizenship debates about freedom have been fundamental to the construction of modern europe but represent a part of our intellectual heritage that is rarely examined in depth these volumes provide materials for thinking in fresh ways not merely about the concept of freedom but how it has come to be understood in our own time

those within the free church tradition have often appealed to the notion of the invisible church to account for the unity of the body of christ a growing number of free church theologians however are giving increased attention to the importance of visible ecclesial unity which immediately raises the perennial problem of the authorities by which unity is maintained there is also a growing recognition among free church theologians of the need to recognize the authority of tradition in tandem with the authority of scripture in this book cary affirms these recent developments but then inquires whether a turn toward visible unity together with an embrace of the authority of tradition can eventually be coherent without also embracing the authority of an extra congregational teaching office to guide his study cary engages the work of two theologians from outside the free church tradition robert jenson and rowan williams he then brings them into contact with the prominent free church theologian james mcclendon in order to supplement some of the deficiencies cary perceives in mcclendon's groundbreaking work once these deficiencies are addressed however the question intensifies whether the free church tradition as such can remain a coherent ecclesial option over time

the enoch pratt library at seventy five 1886 1961 a retrospective report follows report for 1961

intercultural acting and performer training is the first collection of essays from a diverse international group of authors and practitioners focusing on intercultural acting and voice practices worldwide this unique book invites performers and teachers of acting and performance to explore describe and interrogate the complexities of intercultural acting and actor performer training taking place in our twenty first century globalized world as global contexts become multi inter and intra cultural assumptions about what acting is and what actor performer training should be continue to be shaped by conventional modes models techniques and structures this book examines how our understanding of interculturalism

changes when we shift our focus from the obvious and highly visible aspects of production to the micro level of training grounds studios and rehearsal rooms where new forms of hybrid performance are emerging ideal for students scholars and practitioners intercultural acting and performer training offers a series of accessible and highly readable essays which reflect on acting and training processes through the lens offered by new forms of intercultural thought and practice

from hampton sides s ghost soldiers a gripping narrative of world war ii pows on the brink of freedom the men of cabanatuan had been held by the japanese since the bataan death march in increasingly dire circumstances with the war turning in the americans favor the pows worried that their captors would murder them all in the frenzy of an all out withdrawal then one day in early january 1945 the prison guards simply left for a brief moment the haggard survivors of cabanatuan were given the keys to their prison though swift death was promised to anyone who dared leave the prisoners waited nervously all while unbeknownst to them a daring raid was being planned which would result in their rescue or their end this is hampton sides at his most riveting a fitting tribute to these soldiers who would be prisoners no more an ebook short

in a compelling and manageable text the author makes the case for giving special time and attention to voice as a means to get students involved and improve their writing

this book does not champion some of the popular misconceptions surrounding islamic law it does not advocate stoning to death amputating the hands of thieves call for the death penalty for those who leave the fold of islam or urge muslims to save their souls from hellfire by shunning bank loans for fear of incurring interest what it does advocate is less sensationalistic but it is in line with the real interpretation of islamic law contemporary interpretation of islamic law is divided into thirteen chapters the majority of the chapters concentrate on criminal aspects of islamic law while the remainder concern themselves with social issues each chapter where possible provides background information of the topic under discussion and then proceeds to analyse examine and critique the contentious parts of the topic looking at the arguments from all sides and the evidence put forward by each side before arriving at a conclusion the book is accompanied by a glossary our work differs from other published titles on islamic law as it takes into account the different aspects of the qur an the qur an employs many parables allegories and metaphors to highlight important messages for mankind yet jurists often make the common mistake of either omitting or misinterpreting these devices resulting in inaccurate and often

unlawful rulings which have direct and indirect effects on both muslims and non muslims alike it is hoped that our work will create a better understanding of the correct interpretation of the qur an and islamic law says authors ahmed affi and hassan affi contemporary interpretation of islamic law will appeal to those with an interest in islam and islamic law though no specialist knowledge of arabic or islamic law is required

contains biographical entries a list of separately published books and an essay on each poet
