most churches teach that god jesus and the holy spirit are equal beings

and somehow the same god they themselves admit it is a mystery beyond our comprehension still however they want us as followers to accept this belief with faith despite the fact they cannot explain it because of this and the lack of support from the scriptures do we not have every right to question it do the scriptures show there is a three in one god jesus said at john 6 38 niv bolding added for emphasis for i have come down from heaven not to do my will but to do the will of him who sent me this scripture describes two wills if there are two wills then there must be two beings if one sends the other then one is evidently in charge which means they cannot be the same or equal many other scriptures concur such as 1 corinthians 11 3 niv that reads the head of christ is god the book highlights the scriptures used for support of this doctrine and includes the contexts that surround those same verses to show that the bible does not teach a triune type of god anywhere this book offers over one hundred scriptures that combine to prove the falseness of the teaching of the trinity besides more than enough scriptural evidence the book also brings into focus how other bible versions render those same trinity scriptures and dives into the history of this doctrine when these things are all exposed the trinity fails to deliver as truth

this important work is a detailed biblical investigation of the relationship of jesus to the one god of israel the authors challenge the notion that biblical monotheism is legitimately represented by a trinitarian view of god and demonstrate that within the bounds of the canon of scripture jesus is confessed as messiah son of god but not god himself later christological developments beginning in the second century misrepresented the biblical doctrine of god and christ by altering the terms of the biblical presentation of the father and son this fateful development laid the foundation of a revised unscriptural creed that needs to be challenged this book is likely to be a definitive presentation of a christology rooted as it originally was in the hebrew bible the authors present a sharply argued appeal for an understanding of god and jesus in the context of the original christian documents for additional information visit the author s website at restorationfellowship.org
