na obra de hermann broch zerlina não é uma jovem camponesa desperta para os impulsos do corpo mas uma velha criada distante já da sua matriz instintual para quem a estratégia erótica se transformou em estratégia discursiva mas o corpo e discurso são ambos modos embora diferentes de conhecimento e o exercício de zerlina consiste justamente na laboriosa tradução do conhecimento instintual em conhecimento intelectual entre um e outro como única mediadora está a sua linguagem em cuja rudimentaridade procura a

sistematização de valores que assistem à sua conversão de ser erótico em ser ético como resíduo desta transformação emerge o valor axial do seu movimento a culpa não a sua zerlina permanece sempre exterior ao mundo que observa e relata mas a de uma sociedade que a ela se exime justamente porque aceita assimilar e inscrever corpo e culpa sobre elas zerlina enquanto ser ético passa julgamento e delibera ser guardiã e executora da consequência do sistema de valores que identificou É a sua exterioridade a esse sistema que a investe da capacidade de ser juiz e seu carrasco a sua posição é uma posição extrema absoluta como rudimentar e limite é a sua linguagem ambas decorrem de um valor maior e primeiro a intensa transferência das vivências que na sua intensidade só podem ser inocência

o processo penal já não é o que era e não é o que parece são diversos os textos éditos revistos e inéditos que compõem o livro mas são estas as duas ideias principais o processo penal já não é o que aprendi nos livros e ainda se ensina não só porque as leis vêm sendo alteradas mas também porque tantas coisas mudaram na dimensão prática e nas representações sociais o mundo do processo penal sobretudo nalguns processos é hoje outro e lamento e critico várias mudanças os textos do livro são pois muitas vezes desgostosos mesmo que humorados textos de um bota de elástico do processo penal e também de outras não todas áreas da vida que nele se projetam mas se já não é o que era não é menos verdade que não é o que parece muito do que se diz noticia e discute sobre o processo penal não é correto é quase sempre superficial amiúde é ligeiro e por vezes não é sério vários textos são contra as aparências os lugares comuns o achismo mas também contra a hipocrisia e as agendas muitos são textos do contra mas não todos e também este livro nem sempre é o que parece e por detrás de um pessimista da razão pode ainda espreitar um otimista da vontade
