a dive into the authenticity of battle scenes in epic films set in the greco roman world from stanley kubrick s spartacus to ridley scott s gladiator the battles and sieges of the classical world have been a rich source of inspiration to film makers since the beginning of cinema and the sixties and seventies saw the golden age of the swords and sandals epic with films such as spartacus ridley scott s gladiator led a modern revival that has continued with the release of films like 300 the eagle and centurion and hbo s mini series rome while hollywood interpretations of classical battle continue to spark interest in ancient warfare to casual viewers and serious enthusiasts alike they also spark a host of questions about authenticity what does hollywood get right and wrong about weapons organization tactics and the experience of combat did the spartans really fight clad only in their underpants and did the persians have mysterious silver masked assassins in their armies this original book discusses the merits of battle scenes in selected movies and along the way gives the reader an interesting overview of ancient battle it should appeal to the serious student of ancient warfare movie buffs and everyone in between jeremiah mccall impresses us with detail on the motion pictures relevant to ancient history an honest and informative style unriv.com the author has managed to produce a readable informative and credible perspective his work is entertaining and his conclusions have an authoritative feel to them enjoy fire project

this rare primary source account is the story of the hard fighting battalion of the 7th northumberland fusiliers which saw action on the somme passchendaele and in the battle of arras this wonderfully detailed account provides a rare insight into the experiences of the common soldier on the front line during some of the bitterest conflicts of the war unembellished and unwavering in his account francis buckley here records not only the events of the battles he fought in but also provides an emotional tribute to the heroism of the friends he made and lost during his time in the field as well as his fellow troops of the 7th northumberland fusiliers buckley also remembers with great fondness the bravery of the officers and men of the 149th infantry brigade and of the 50th division his recollections here provide a poignant reminder of the true human cost of war in the modern age

this is the photographic history of the german army on campaign throughout the first world war the most striking images from the german perspective are gathered here and form a significant historical record of one of the most important events of modern history in 1914 the german war machine began its advance into europe by 1918 the german army had lost over two million men

and suffered through some of the most horrific events in human memory in a war caused by politics it was the ordinary men who lost their lives and here we aim to highlight the human cost of the conflict from beginning to end

this is the final volume of a comprehensive five part work including a multitude of personal accounts of every aspect of the aerial operations on gold juno and sword beaches during d day it relays the sense of relief experienced as allied troops gained a foothold on the continent of europe after d day both by the men caught up in the proceedings and the jubilant civilians on the home front by the end of june 875 000 men had landed in normandy 16 divisions each for the american and british armies although the allies were well established on the coast and possessed all the cotentin peninsular the americans had still not taken st lo nor the british and canadians the town of caen originally a target for d day german resistance particularly around caen was ferocious but the end result would be similar to the tunisian campaign more and more well trained german troops were thrown into the battle so that when the allies did break out of normandy the defenders lost heavily and lacked the men to stop the allied forces from almost reaching the borders of germany in continuing style bowman pays respect to the men who fought in the skies above france on d day this episode of aviation history has never before been the focus of such detailed analysis the five volumes of this series act as a memorial to the individuals who played their own individual parts in the wider proceedings far from being a mere operational record this is the story of the men behind the headlines the reality behind the iconic images of parachute drops and glider formations
