vampire literature provides elements of everything from the penny dreadful horrors to powerful doses of myth and eroticism this anthology includes bram stoker s detailed research notes for dracula and an exploration of the historical implications of vampire mythology to the arts

byron floating in the air keeps counting people and animals he sees below the works of lord byron and his friend sir walter scott had an influence on european

literature which was immediate and profound peter cochran s book charts that influence on france germany italy spain poland and russia with individual chapters on goethe pushkin and baudelaire and one special chapter on ibsen who called peer gynt his manfred cochran shows that although byron s best work is his satirical writing which is aimed in part at his earlier romantic material and its readership his self correction was not taken on board by many european writers pushkin being the exception and it was the gloomy byronic heroes who held sway these were often read as revolutionaries but were in fact dead end it was a mythical not a literary byron whom people thought they had read the book ends with chapters on three british writers who seem at last to have read byron in their different ways accurately eliot joyce and yeats

venice holds a unique place in literary and cultural history barnes looks at the themes of war occupation resistance and fascism to see how the political background has affected the literary works that have come out of this great city he focuses on key british and american writers including byron ruskin pound and eliot
